They are on my list of people/agencies to email. I was going to do Katy at USACE and Jess Beck/Jess Powel/Ken Riley/Mark S./Jenny Lee for NMFS.

Do you have any other people that you think I should send it to at those agencies? The document is going through processing and I'm waiting to hear officially that it will be up on our website by Wednesday so I can get it in the paper on Thursday.

Meghan: If you had not already planned on it, both the USACE and NMFS (NEPA cooperating agencies) should receive an e-mail notice on the availability of the Kampachi Draft EA/Draft Permit when it goes out. Thanks.
